

THE DAZZLING DARREN MAGICAL MATHS SHOW

**FRIDAY 22ND JANUARY
FRIDAY 29TH JANUARY
FRIDAY 5TH FEBRUARY
FRIDAY 12TH FEBRUARY
ALL SHOWS START AT 2.30PM**

GUIDANCE FOR TEACHERS

Firstly, thank you for taking an interest in The Dazzling Darren Magical Maths Show. This is an online show to help families who are learning from home and to give primary school aged learners something fun to watch that combines maths, magic and fun.

If you have any questions or feedback I would love to hear from you! Please email me at darren@dazzlingdarren.co.uk

The show is suitable for all primary learners with some of the maths tricks aimed at KS2 learners aged 7-11.

PLEASE ASK YOUR STUDENTS LEARNING FROM HOME TO WATCH!

Parents can visit www.dazzlingdarren.co.uk/maths to download the PDFs for the show. If you would like to get involved in class then all the details are below!

HOW TO WATCH THE SHOW

The show will be streamed on Facebook Live and YouTube.

The easiest way to keep up to date with each of the shows and see announcements about the worksheets is to like the [Dazzling Darren Facebook Page](#)

Streaming the show via Facebook will require a personal account and I am aware that this is hard, if not impossible to do, in a school setting.

I have also made sure the show is streamed on YouTube on the [Dazzling Darren YouTube Channel](#)

A MADE FOR YOU WORKSHEET

Each week there will be a free PDF available on my website. If you want your students to take part in the magic learning section then they will need a copy each of this PDF.

It may require some basic cutting out and you might want to do this before watching the show.

The PDF for the 22nd January Show is available now and each PDF will be available on the Monday before the show.

Remember if you can't show the show live on a Friday afternoon, a replay will be available on my YouTube Channel!
