

# THE DAZZLING DARREN MAGICAL MATHS SHOW

Download & Print this A4 PDF and cut out the three dice. Then use a glue stick on the flaps with a red dot and stick them together.

Ask a grown up for help if you need to! Have them ready for the Dazzling Darren Magical Maths Show Episode 2.

You can also just use 3 dice for the trick if you have 3 lying around. Each person will need three dice for the trick to work.

## THE MYSTERY DICE

Making these dice is a great way to learn about how 2D shapes can be made into 3D!

This trick will be taught in detail in show 2 on Friday 29th January 2021 at 2.30pm

Watch it live on Facebook or YouTube or if you can't join us live you can watch a replay on the Dazzling Darren YouTube Channel.
